Marked-Up Copy of Amendments Showing Changes Presented Herewith

37. **(marked-up)** A method for antagonizing the effects of substance P in a mammal, comprising administering to said mammal, a substance P antagonizing effective amount of a pharmaceutical composition according to claim 33 [34].

38. **(marked-up)** A method for treating or preventing a condition in a mammal, the treatment or prevention of which is effected or facilitated by a decrease in substance P mediated neurotransmission, comprising administering to a mammal in need of such treatment or prevention an amount of a pharmaceutical composition according to claim 33 [35] effective in treating or preventing such condition.

Remarks

It is believed that the above amendments are fully responsive to the Examiner's objections. The Examiner is welcome to contact the undersigned if any requirements remain.

Conclusion

No fees are believed due at this time. However, the Patent Office is authorized to charge any fee that it determines is needed for acceptance of this Amendment to **Deposit Account 16-1445**. The Examiner's efforts in support of the application are appreciated and are hereby acknowledged.

Respectfully submitted,

Date: 4/22/02

E. Victor Donahue
